Learn how to capitalize on one another’s skills to improve the productivity of your practice and the quality of the service your team produces. Learn systems you can implement today to lower stress, prevent burn-out, and increase your enjoyment of dentistry.

- Review clinical cases from the doctor’s and team’s perspectives
- Debate the fact “communication is a wonderful thing-you should try it sometime”
- Employ systems to lower stress and prevent burn-out

The “BIG DRAW” for this course is that I guarantee we can identify at least one aspect of inefficiency in every practice attending worth between \$50-\$100,000 a year.

And we will help craft an action step to correct it. This is an amazing return on a few hours of CE time!

**Refund Policy: Refunds will be given 30 days prior to the course minus a \$75.00 processing fee.
Course attendance earns 8 AGD CE lecture credit hours**
