Dr. Bridget Mackey

Dr. Bridget Mackey graduated in 2006 from the Marquette University School of Dentistry, after studying chemistry in college. She entered the dental profession at the encouragement of her own dentist and orthodontist, after realizing what a meaningful experience it was to have her own smile improved through orthodontics. She has passed the AACD written exam and is aiming toward accreditation as a challenge to herself to strive to provide the best possible care to patients.

Dr. Mackey maintains membership in the American Academy of Cosmetic Dentistry, the New England Academy of Cosmetic Dentistry, and the Academy of General Dentistry, actively pursuing high quality continuing education in the realm of five times the annual amount required for licensure. She regularly attends workshops and seminars at the prestigious Spear Institute to enhance her knowledge, skills, and passion for great dentistry. She maintains membership on the Faculty Club level of Spear.

From 2011 to 2015, she held a faculty appointment at the Tufts University School of Dental Medicine, recently stepping away from part-time teaching to focus on treating patients and building her solo practice in Sudbury, Mass.

Outside of the office, Dr. Mackey likes to spend time with her pets, run, kayak, and enjoy the New England outdoors. She was honored to run the Boston Marathon twice in recent years for a local non-profit, Dream Big, which provides Boston-area middle and high school girls from low-income situations with the equipment they need to participate in athletics. She has served on the Board of Directors for this charity since 2012.
