## Course Description:

### **“Practical Tips and Tricks for the Everyday Dentist”**

This course will teach you techniques that can be implemented into your practice immediately for increased efficiency and profitability. Numerous cases will be shown step by step in real time from a full time practicing dentist. Cases will include direct composite veneers, class 4’s, and diastema closures utilizing no matrices. Learn how to create surface texture that can rival porcelain.

Understanding the etiology of wear will be described. How to treat these cases over time with transitional bonding. How to determine vertical dimension and how to alter it will be described in full detail. Immediate provisionalization of implants will be shown utilizing the patient’s natural tooth on the abutment at the time of surgery. Numerous other clinical situations will be shown. As an added bonus, live demonstrations will be shown. These include the “pull through” technique for diastema closures and creating incisal translucency and surface texture for natural effects.

## About the speaker:

### **Robert Margeas, DDS**

Dr. Margeas graduated from the University of Iowa College of Dentistry in 1986 and completed his AEGD residency the following year. He is currently an adjunct professor in the department of Operative Dentistry at the University of Iowa. He is Board Certified by the American Board of Operative Dentistry.

He is a Diplomate of the American Board of Aesthetic Dentistry, a Fellow of the Academy of General Dentistry, American Society for Dental Aesthetics and International Team of Oral Implantologists (ITI). He has written numerous articles on esthetic and implant dentistry, and lectures and presents hands-on courses nationally and internationally on those subjects. He is currently the Editor in Chief of Inside Dentistry, on the Editorial Board of Compendium, and is a contributing editor to Oral Health in Canada. His memberships include OKU Honor Dental Society, American Academy of Esthetic Dentistry, and the American Academy of Restorative Dentistry. Dr. Margeas maintains a full-time private practice focusing on comprehensive restorative and implant dentistry in Des Moines, Iowa.

**Refund Policy: Refunds will be given 30 days prior to the course minus a \$75.00 processing fee.**

**Course attendance earns 8 AGD CE lecture credit hours**

The New England Academy of Cosmetic Dentistry is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by the AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from January 1, 2016 to December 31, 2019. Provider ID #2081
