Dr. Robert Vogel
State of the Art for Ideal
Aesthetic Outcomes in
Implant Dentistry

Dr. Vogel graduated from Columbia University in New York City before completing residency training at Jackson Memorial, Mount Sinai and Miami Children's Hospitals in Miami Florida. He maintains a private practice in Palm Beach Gardens, Florida in Implant Prosthetics and Reconstructive Dentistry working as a team member with several specialists providing Implant based comprehensive treatment, conducting clinical trials and providing advice to the Dental Attachment and Implant field. Dr. Vogel has developed and collaborated on development of several prosthetic components and techniques currently in use in Implant Dentistry.

He lectures internationally on Implant Dentistry focusing on simplification and predictability of implant prosthetics through ideal planning, use of digital technologies and team interaction. Well published in implant dentistry, he is a Fellow of the International Team for Implantology, a Diplomate and Vice-President of the Academy of Osseointegration, and a Fellow of the International College of Dentists.

Course Description:

This up to date scientifically based presentation covers cutting edge Topics, Components and Techniques in Implant Dentistry to immediately incorporate into practice with confidence. Included will be a Realist private practice approach to digital workflows from Planning to Intra-oral Scanning and Fabrication of final restoration highlighting real patient and practice benefits of this technology.

A systematic approach to Esthetic treatment of single teeth thru fully edentulous patients will be presented emphasizing long-term biologic and biomechanical stability, predictability and profitability with new options for Screw Retained restorations, Overdentures Attachments, Immediate Implant Placement and proper selection of restorative materials.

Also discussed will be Fee Determination and New Insurance Codes. The Latest Components, Technologies and Techniques will be presented to simplify decision making and expand treatment options in everyday practice.

Refund Policy: Refunds will be given 30 days prior to the course minus a \$75.00 processing fee.
Course attendance earns 8 AGD CE lecture credit hours

The New England Academy of Cosmetic Dentistry is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by the AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from January 1, 2023 to December 31, 2025. Provider ID #208142.
